MY MAJOR AND CAREER

Currently I am in my third year of college and I am declared as a Finance Major.

As a career, I am looking to become a Portfolio Manager and more specifically in Real Estate

TECHNOLOGICAL BACKGROUND

I don't have much experience when it comes to technology, but I have used software such as google docs, excel, etc. for schoolwork. My most used piece of technology would be my Playstation, as I grew up

playing console video games.

A LITTLE ABOUT ME

Originally, I am from the beautiful island of **Jamaica** located in the Caribbean Sea.

I chose the University of Nevada because I moved to Reno in 2018 and attended Damonte Ranch High School. GO WOLFPACK

My absolute **passion** in life is fitness and it is definitely my favorite hobby.

I love listening to **music** and my favorite band at the moment is Pierce The Veil. The music is loud, energetic, and always fuels my workouts.

My favorite **movie** of all time is “Interstellar”, it’s a movie that really digs deep into your mind about space travel and I recommend it to anyone who hasn’t seen it.

My dreams

My dream is to make an impact with my life and to make my family proud of the man I have become. The goal is to be happy, and have a loving family.
